

**IN THE UNITED STATES DISTRICT COURT
FOR THE WESTERN DISTRICT OF NORTH CAROLINA
STATESVILLE DIVISION
CRIMINAL ACTION NO. 5:15-CR-00038-KDB-DSC**

UNITED STATES OF AMERICA,

v.

SAI VANG,

Defendant.

ORDER

THIS MATTER is before the Court on the parties' Consent Motion for Bond. (Doc. No. 171). Defendant is currently in custody at a private medical facility in Fresno, California. Defendant is paralyzed from the neck down and requires constant care and assistance, which counsel does not believe is available in a jail facility in the Western District of North Carolina. The parties agree that, upon his return to this district (after making his initial appearance), Defendant be released on a \$25,000 unsecured bond and allowed to stay at his parents' home due to his medical condition. The parties further agree that Defendant should be under 24-hour home confinement with electronic monitoring, excluding time off for medical and legal visits that are preapproved by his probation officer.

IT IS THEREFORE ORDERED that the Consent Motion for Bond, (Doc. No. 171), is **GRANTED** and Defendant be released on bond as agreed upon by the parties and outlined in the consent motion.

SO ORDERED.
